Lesson 14  
Acts 13:1-52

Note: I decided to give you another page of 4 maps that will help you follow Paul's journeys.

1. Read Acts 13:1-3. What role did the HS play and what part did the local church play in beginning the first missionary journey? What do these beginning verses teach you about receiving guidance?
- 2, Read Acts 13:4-15. Locate the places they visited on the map. Where did they begin their ministry in Salamis? (v.5) Who accompanied them as their helper?
3. What opposition did they encounter in Paphos? Why did Paul sharply condemn this sorcerer? What good came from this conflict? What does the teach you about the work of the Holy Spirit?
4. Why do you think John Mark left them in Perga? (See also Acts 15:36-39)
5. Paul's lengthy address to the synagogue in Pisidian Antioch covers three major topics. Try to summarize his main point and focus in each of the following sections:
  - Old Testament History (13:16-25):
  - The Gospel Introduced (13:26-37)
  - The Gospel Applied (13:38-41)
6. Read Acts 13:42-52. What was the immediate response? (vv. 42-43)
7. What happened the next week? (vv. 44-45) What major turning point is recorded in vs. 46?
8. What was the result of the opposition faced in Pisidian Antioch? How is this chapter an encouragement to anyone striving to be obedient to God's call to share the gospel?
